

Big Brothers Big Sisters: Job Shadowing Opportunities for Littles

Name: Mitzi Holmes

Date: 2/28/2011

mholmes@carepartners.org

Preferred contact method: phone email

Occupation: Executive Director, CarePartners Rehabilitation Hospital

Employer: CarePartners Health Services

Office/ work site address: 68 Sweeten Creek Road, Asheville, NC 28803

Description of job duties: responsible for all operations of rehab hospital - oversee all clinical and administrative functions; serve as member of CarePartners Senior Leadership

What the youth may see/ do/ learn at the visit: shadowing can either be with me OR with any of our clinical areas - physical /occupation/speech therapy, nursing, respiratory therapy, psychology, medical staff, etc.; I'm often in meetings, so clinical shadowing might be more "fun" - I can be the contact for either.

Special instructions regarding clothing/shoes, safety,etc.

For all areas - no jeans or torn clothing; for clinical areas - closed-toe shoes are also required (tennis shoes are fine)

Is there a minimum age youth should be for job shadowing due to safety or another reason? 15 and older

Note preferred days and times for a job shadowing visit

**Any day would be fine - best times would be either morning (between 8 and 12) or afternoons (between 2 and 4) - we could make any time work but those would be best for seeing us at work
