

The Course

The Warren Wilson College campus is consistently called one of the most beautiful in the country. The course will traverse fields, pastures, single-track trail, tree covered roads, and a river trail. Although some of the run will have to take place on campus roads, the entire route is off public streets. **Due to the terrain, dogs and strollers are prohibited.**

The Cause

Big Brothers Big Sisters of WNC works with adults who want to make a difference and children who need a caring and constant presence in their lives. Kids with mentors are more likely to finish high school and enroll in college and less likely to join a gang or use drugs and alcohol. For many "Littles" a Big Brother or Big Sister can help them see possibilities that they never knew existed.

Big Brothers Big Sisters staff work with each mentor, parent/ guardian, and child to ensure they are having the best experience possible and to best meet the needs of the child. More mentors are needed! Start Something Big for a child today by calling 253-1470 or visit us online at www.bbbswnc.org.
